The Political Climate of the Late 20th Century

During this period, second-wave feminism was experiencing a resurgence, grappling with issues such as reproductive rights, sexual violence, and gender inequality. Young women, feeling marginalized both within punk circles and society at large, sought a platform for activism and expression. The convergence of feminist ideas with punk's rebellious spirit created fertile ground for Riot Grrrls.

The DIY Ethos and Underground Zines

Central to Riot Grrrl culture was the proliferation of independent zines—self-published magazines that served as a voice for marginalized groups. The zines—such as *Girl Germs* and *Jigsaw*—became crucial tools for communication, activism, and community-building, emphasizing a do-it-yourself approach that rejected mainstream commercialism.
