Origins of Think and Grow Rich

The Birth of a Success Classic

Napoleon Hill's *Think and Grow Rich* was born out of a quest to understand the secrets of wealth and success. Commissioned by Andrew Carnegie, one of the most powerful industrialists of the early 20th century, Hill embarked on a 25-year journey to interview and study over 500 successful individuals, including Henry Ford, Thomas Edison, and others. His goal was to distill their secrets into a practical guide accessible to the masses.

The result was a book that combined motivational philosophy, practical steps, and psychological insights.
